

Dear Pit Crew,

Thank you for your interest in participating in the Car Care Ministry! The ministry is designed to provide car care to the widows of . After all, cars are very important to God. In the Book of Acts, Paul talks about all the disciples being in one ACCORD. And God drove Adam and Eve out of the Garden in a FURY! No kidding!

To the many of you who have served as a volunteer previously, we appreciate your prior service. Your willingness to help shows your Christ-like spirit and acknowledgement of this vital ministry. To those of you expressing interest for the first time, you will find this ministry is definitely one where those providing the service are blessed at least as much as those receiving the help.

times a year, the women bring their car to the work team and the car is washed and vacuumed, the oil is checked and topped off, fluids are filled, belts and hoses are inspected, tires correctly inflated, and the car is generally checked for needed repairs or adjustments. This allows the owner to get free, proper care and valuable advice concerning her car's mechanical condition.

Volunteers possess a wide range of talents and levels of expertise. If you can dust a dash, vacuum a floor mat, or air up a tire, we have a place for you! The ministry allows our team members to either use their knowledge and experience on a given task, or to learn from those with more experience. We always need a few "experts." Tools and equipment are not necessary.

Working in teams helps create an atmosphere of fellowship and fun and keeps most "workdays" within the 4-hour time frame. As the workday begins, (after coffee and donuts) a greeter meets with the car owner, completes the paperwork, and directs the car owner to the hospitality room. The team thoroughly cleans, inspects, and cares for the car. When the woman is handed the keys to her clean, shiny automobile, a member of the team will pray for her before she drives away.

Please take a few minutes to complete the accompanying Pit Crew Team Member Profile Form and return it to .
